# DAY 1

11 APRIL 2025 | FRIDAY - HALL A

08:30 - 09:00 Registration

09:00 - 09:10 Opening Ceremony and Ribbon Cutting

09:10 - 09:30 **Evolution of Modern Management and Surgery of Eustachian Tube Disorders**

Keynote Speaker: Dr. Dennis Poe

09:30 - 10:30 Panel Discussion:

Panelists: Dr. Inseok Moon, Dr. Juha Silvola, Holger Sudhoff, Dr. Muaaz Tarabichi, Dr. Adrian James, Dr. Badr El Din

10:30 - 11:00 Past, Present and Future of Balloon Dilatation of Eustachian Tube

Keynote Speaker: Dr. Holger Sudhoff

11:00 - 11:30 TEA/COFFEE BREAK

11:30 - 12:30 Panel Discussion:

Panelists: Dr. Dennis Poe, Dr. Juha Silvola, Dr. Caglar Batman, Dr. Walter Kutz, Dr. Yehya Ashry

12:30 - 14:00 FRIDAY PRAYER/LUNCH BREAK

14:00 - 14:30 Implementing ET Balloon Dilatation in Your Practice: Expert Insights and Strategies

Keynote Speaker: Dr. Walter Kutz

14:30 - 15:30 Panel Discussion:

Panelists: Dr. Marta Sandoval, Dr. Ashley Agan, Dr. Ahmed Emadi, Dr. Yehya Ashry

15:30 - 16:00 Alternative Causes of Eustachian Tube Dysfunction

Keynote Speaker: Dr. Alex Saxby

16:00 - 16:30 TEA/COFFEE BREAK

16:30 - 17:30 Panel Discussion:

Panelists: Dr. Dennis Poe, Dr. Holger Sudhoff, Dr. Hardik Shah, Dr. Juha Silvola, Prof. Sung Hoon Bae, Dr. Shuhua Chen, Dr. Abdullah Hussiny

17:30 Closing Remarks: **END OF DAY 1**

19:30 GALA DINNER by SPIGGLE & THEIS (For Faculty and Guests by Invitation Only)  
Tarabichi Healthcare, Umm Suqeim, Dubai

## DAY 2

12 APRIL 2025 | SATURDAY - HALL A

08:30 - 09:00 Registration

09:00 - 09:30 Pediatric Tuboplasty in Comparison with Tubes Insertion in SOM

Keynote Speaker: Dr. Caglar Batman

09:30 - 10:30 Panel Discussion:

Dr. Dennis Poe, Dr. Holger Sudhoff, Dr. Hardik Shah, Dr. Adrian James,  
Dr. Marc Dean

10:30 - 11:00 TEA/COFFEE BREAK

11:00 - 11:30 Patulous Eustachian Tube

Keynote Speaker: Dr. Juha Silvola

11:30 - 13:00 Panel Discussion:

Dr. Dennis Poe, Dr. Holger Sudhoff, Dr. Yong Cui, Dr. Marta Sandoval,  
Dr. Li Li, Dr. Li Yongqi, Dr. Saleh Alamry

13:00 - 14:00 LUNCH BREAK

14:00 - 14:30 Eustachian Tube Interventions in the Context of Chronic Ear Surgery

Keynote Speaker: Dr. Muaaz Tarabichi

14:30 - 15:50 Panel Discussion:

Dr. Hardik Shah, Dr. Caglar Batman, Dr. Seo Jae-hyun, Dr. Alex Saxby,  
Dr. Adrian James

15:50 - 16:00 Industry Symposium - Mega Medical

16:00 - 16:30 TEA/COFFEE BREAK

16:30 - 17:00 Making the Diagnosis...

Keynote Speaker: Dr. Marta Sandoval

17:00 - 18:00 Panel Discussion:

Dr. Muaaz Tarabichi, Dr. Walter Kutz, Dr. Saleh Alamry, Dr. Vikas Agrawal  
Dr. Rajendran Kumar

18:00 END OF DAY 2

08:30 - 09:00 Registration

09:00 - 09:20 Adverse Events, Failures and Outcomes of ETD Treatments

Keynote Speaker: Dr. Adrian James

09:20 - 10:30 Panel Discussion:

Dr. Holger Sudhoff, Dr. Dennis Poe, Dr. Alex Saxby, Dr. Walter Kutz, Dr. Yongqi Li, Dr. Abdelrahman Elsayed, Dr. Juan Miguel, Dr. Avinava Ghosh

10:30 - 11:00 TEA/COFFEE BREAK

11:00 - 12:30 Round Table For Position Statements Moderated By: Dr. Baher Ashour and Dr. Lee Ho-Yun. IWGET Board Members and Congress Faculty (Majlis)

## Abstract Presentations (Hall A)

11:00 - 11:08	Eustachian Tube Dysfunction In Adult Patients With Chronic Rhinosinusitis In National Ea Care Center Kaduna, Nigeria: Comparing Clinical Assessment By Etdq-7 Questionnaire And Tympanometry.	Dr. Mustapha Jimoh
11:10 - 11:18	Correlation analysis of the efficacy of type I tympanoplasty and the function of the eustachian tube	Dr. Wen Zhang
11:20 - 11:28	The effect of eustachian tub dysfunction on improvement of auditory training in children with moderate sensory neural Hearing loss	Ms. Sahar Panahpoor
11:30 - 11:38	Endoscopic Cartilage Tympanoplasty Combined with Transtympanic Ventilation Tube Insertion for Adhesive Otitis Media: A Comparative Prospective Analysis.	Dr. Dong Dong Ren
11:40 - 11:48	In office eustachian tube dilation reduces symptoms among patients with barometric challenges	Dr. Martin Moller
11:50 - 11:58	A cross-sectional study of eustachian tube function in unilateral chronic suppurative otitis media patients	Dr. Huiqian Yu
12:00 - 12:08	Short-term evaluation of endoscopic-guided eustachian tube catheterization with glucocorticoid in secretory otitis media	Dr. Qimei Yang
12:10 - 12:18	Establishment of the Normative Value of Classical Bluestone's Nine-Step Inflation/Deflation Tympanometric Eustachian Tube Function Test	Dr. Jing-Jie Wang
12:20 - 12:28	Dilatation Eustachian tuboplasty with a camera in-build Eustachian tube endoscope and supporting balloon	Dr. Yucheng Chen

12:30 - 13:00 Presentation Of Position Statements

Moderated by: Dr. Alex Saxby, Dr. Mohamed Badr-El-Dine

13:00 - 14:00 LUNCH BREAK

14:00 - 14:15	Industry Symposium: SPIGGLE & THEIS	Dr. Marta Sandoval
14:15 - 16:00	Hands On Training (Majlis) To be held in batches of 15 mins each on first come first serve basis.	

## Abstract Presentations

14:20 - 14:33	Morphological and Volumetric Analysis of Eustachian Tube Anatomical Structures in Patients with Adhesive Otitis Media and Healthy Controls Using CT and Magnetic Resonance Imaging	Prof. Wuqing Wang
14:35 - 14:48	Diagnosis and treatment strategies of 23 cases of adhesive otitis media with habitual sniffing	Prof. Zhaomin Fan
14:50 - 14:58	A Nomogram Diagnostic Model for Obstructive Eustachian Tube Dysfunction in Patients with Chronic Otitis Media	Ms. Xiaoxin Chen
15:00 - 15:08	Correlation of different Eustachian tube function test with the prognosis of tympanoplasty	Dr. Yanlu Lyu
15:10 - 15:18	Correlation isthmus diameter of the Eustachian tube and mastoid air cell volume in chronic suppurative otitis media patients using high resolution computed tomography of mastoid	Dr. Ahmed Dian
15:20 - 15:28	Transtympanic Epidural Catheter Insertion Technique as a Novel Minimally Invasive Surgical Method for Treating Patulous Eustachian Tube.	Dr. Yui - Lin Hsieh
15:30 - 15:38	The Effects of Eustachian Tube Insufflation and Nebulization on Chronic Refractory Otitis Media	Dr. Wenqing Yan
15:40 - 16:00	Q & A Session for all Abstract Presentations	
16:00 - 16:30	TEA/COFFEE BREAK	
16:30 - 16:50	Certificate Distribution	
16:50 - 17:15	<b>CLOSING REMARKS</b> Dr. Holger Sudhoff Announcement of Next Dates, Group Photo	
17:15	<b>END OF CONGRESS</b>
